

# Gathering 1 - Why RENEW?

RENEWintl.org

## Why was RENEW chosen?

Our pastor wants to invite as many people in the parish as possible to participate in RENEW in order to deepen their own spiritual life and revitalize our parish community.

## What does RENEW do?

RENEW brings people together to strengthen the bonds of community, pray together, connect with the Word of God, and live out their faith more intentionally.

## How does RENEW do this?

RENEW invites people to join a small Christian community for six weeks at a time. It's a small commitment that can have a big impact.
